

**RWTH International Academy
Fellowship for Turkish Engineers (FTE)
Conditions and Regulations | Effective as of 1 December 2020**

*Supplementary Scholarship for Holders of the DAAD/TEV Joint Scholarship Program
for Master Studies in Germany*

Preamble

This scholarship intends to support highly qualified engineering students from Turkey to pursue a Master's degree program at RWTH Aachen University, organized by RWTH International Academy. It is intended to supplement scholarship holders of the DAAD-TEV scholarship program for Turkish students and allows a waiver of the tuition fees charged by RWTH International Academy. For information about the DAAD-TEV scholarship, please visit the websites about [TEV scholarships](#) and [DAAD scholarships](#). This scholarship applies to admitted students of RWTH Aachen University in one of the following Master's degree programs:

- (1) [M. Sc. Computer Aided Conception and Production in Mechanical Engineering](#)
- (2) [M. Sc. Management and Engineering in Computer Aided Mechanical Engineering](#)
- (3) [M. Sc. Management and Engineering in Structural Engineering and Risk Management of Industrial Facilities](#)
- (4) [M. Sc. Management and Engineering in Production Systems](#)
- (5) [M. Sc. Networked Production Engineering](#)
- (6) [M. Sc. Robotic Systems Engineering](#)
- (7) [M. Sc. Textile Engineering](#)

§ 1 Principles

- (1) This scholarship covers the tuition fees of 22,000.00 EUR for the Master's degree program. An administrative fee of 500.00 EUR per semester for the regular study period of four semesters will be charged from the student.
- (2) The FTE awardee becomes a member of RWTH International Academy Fellows Network. RWTH IntAc Fellows are part of an exclusive network and:
 - a) push student mobility within Germany and their country of origin
 - b) contribute to the RWTH IntAc Fellows network
 - c) promote RWTH International Academy's Master of Science programs in engineering within their peer networks and act as ambassador between their undergraduate universities and RWTH International Academy
 - d) proactively organize and contribute to the marketing initiatives of RWTH International Academy and co-hosting online seminars
 - e) represent the RWTH IntAc Fellows officially at events held by RWTH Aachen University and RWTH International Academy including Career Day, Networking Night, and the RWTH Graduation Ceremonies

§ 2 Eligibility

- (1) Admitted students to the above-mentioned Master's Degree program with Turkish citizenship, who have performed excellently in their Bachelor studies and have already been awarded the DAAD-TEV scholarship.
- (2) Students who already receive funding or a scholarship for the required tuition fees are not eligible.

§ 3 Required Application Documents

A complete scholarship application consists of:

- Regular application for the Master's degree program submitted through the RWTHonline application portal
- Copy of DAAD-TEV agreement (as soon as the applicant receives it)
- Letter of intent for the scholarship (500 words)

§ 4 Registration Process and Application Deadline

- (1) Scholarship applications must be submitted and uploaded through the RWTH International Academy Forms portal (<https://forms.academy-rwth.de/master-office/>).
- (2) The application deadline for the scholarship is 1 March of every year.
- (3) In your letter of intent, you should specify your motivation for applying for this scholarship. Your letter of intent should follow a clear, logical structure. You should answer the following question in an engaging and creative manner:

"As an FTE awardee, how do you intend to contribute to growing our network of engineering students? What would you do to serve as an ambassador between RWTH International Academy and your undergraduate university?"

- (4) The application process might include multiple rounds. Applicants will be notified. Failing to respond may result in disqualification.
- (5) When a scholarship is awarded, the scholarship agreement will be integrated into the applicant's participation agreement. This participation agreement needs to be signed and returned to RWTH International Academy by postal service as soon as possible.

§ 5 Escape clause

The awarding of this scholarship is dependent on the availability of resources of the RWTH International Academy student fund. There is no legal basis for students to claim this scholarship.
