

RWTH International Academy Best of Class Award

Regulations | Effective as of 15th May 2024

Preamble

The Best of Class Award was established to honor talented RWTH International Academy students with outstanding academic achievements.

Applicants must be enrolled in one of the following degree programs:

- (1) M.Sc. Computer Aided Conception and Production in Mechanical Engineering
- (2) M.Sc. Management and Engineering in Computer Aided Mechanical Engineering
- (3) M.Sc. Management and Engineering in Production Systems
- (4) M.Sc. Robotic Systems Engineering
- (5) M.Sc. Smart Production Engineering
- (6) M.Sc. Textile Engineering
- (7) MPA European Studies
- (8) M.Sc. Resilient Civil Engineering

§ 1 Principles

- (1) The Best of Class Award is open for students enrolled within their **regular study period** in one of the above listed master's degree programs, who achieved a CGPA of 1.5 or better.
- (2) The Best of Class Award may be awarded to the best student of each master's program, considering their overall performance and profile. If two applicants' performance in the same study program is comparably good, the scholarship may be divided between them. Any one student may receive the Best of Class Award only once.
- (3) Awardees will be granted a reward of 1,000.00 € as well as an award certificate from RWTH International Academy. The reward will be transferred to the awardee's bank account. Awardees can only receive a payout of the scholarship payment if they do not have any liabilities with RWTH International Academy. If liabilities exist, the scholarship amount will be fully or partially settled with any outstanding amounts, depending on the individual case.

§ 2 Basis of evaluation

The basis of evaluation are the applicant's cumulative academic achievements in relation to the number of courses and thus amount of credit points achieved.

§ 3 Required application documents

A complete application consists of the following documents:

- (1) Letter of motivation (one page max.)
- (2) CV
- (3) A complete and up-to-date transcript of records (*Notenspiegel*)

§ 4 Application details

- (1) Applications must be submitted as pdf files through the [Online Application Portal](#).
- (2) Students may apply for this scholarship between 15 January and 30 January each year.
- (3) Applications received after this deadline will not be considered.
- (4) Applications submitted by means other than the application portal will not be considered.
- (5) Incomplete applications will not be considered.

Applications will be evaluated after the application deadline. Applicants will be informed about the result by email.

§ 5 Conditions of funding

Awardees agree to provide a testimonial for RWTH International Academy.

§ 6 Escape clause

The possibility to award this grant is dependent on the financial capital available in RWTH International Academy's students fund. There is no legal basis for students to claim this scholarship.
